Comment on Fair Action report "Coming out of the closet".

As a comment to the report we would like to point out that the total turnover for Gekås Ullared AB (€ 387 770 000) includes all product groups that we sell in our store.

This report only covers the private labelled garments within each company. The turnover for our private labelled garments is € 9 448 000, which is only 2.4% of the total turnover.
