Sportamore	NO			N/A	Vi har inga egna produktionsenheter	YES	We work for increased transparency with all our traders and brands and we are currently in the process of updating our terms and conditions vs all suppliers.	Sportamore's business on own brands is around 5% of total business. We have no own supply chain for private labels, all products are bought from Swedish counterparts "traders" who in many cases for obvious reasons are reluctant to share detailed sourcing info. We work though to increase transparency and especially to make sure that we in contract make sure that we share views on under which conditions products should be manufactured.	
Stadium	NO			8 Tittar vi på snittlönerna hos leverantörer med CBA och jämför med de utan är de både högre och lägre än snittet, så vi ser inget klart samband med lönenivå och CBA.	YES
